STATEMENT OF DIRECTORS' RESPONSIBILITIES

IN RELATION TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED 31 DECEMBER 2022

In accordance with the provision of Companies and Allied Matters Act, 2020, and the Financial Reporting Council ACT No. 6. 2011, the Directors are responsible for the preparation of the consolidated and separate financial statement which give a true fair view of the state of affairs of the Group for the year ended 31st December 2022, and of the financial performance for the year and its profit or loss and other comprehensive income for the year. The responsibilities include ensuring that the group.

(a) keeps proper accounting records that disclose, with reasonable accuracy, the financial position of the Group and comply with the requirement of the Companies Allied matters act 2020:

(b) Establishes adequate internal controls to safeguard its assets and prevent and detect fraud and other irregularities;

(c) Prepares its consolidated and separate financial statement using suitable accounting policies supported by reasonable and prudent judgment and estimates that are consistently applied: and

(d) It is appropriate for the consolidated and separate financial statement to be prepared on a going concern basis unless it is presumed that the Group will not continue in business.

The Directors accept responsibility for the accompanying financial statement, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgment and in compliance with the Financial Reporting Council of Nigeria Act. No 5. 2011 and in-manner required by the Companies and allied Matters Act 2020

The Directors are of the opinion that the accompanying consolidated and separate financial statement gives a true fair view of the state of the financial affairs of the Group and of the financial performance for the year with the requirements of the Financial Reporting Council of Nigeria Act. No6.2011 and the Companies and allied matters act 2020

The Directors further accept responsibility for the maintenance of accounting records that may be relied upon in the preparation of the consolidated and separates financial statement, as well as adequate systems of the financial control.

Noting has come to the attention of the Directors to indicate that the Group will not remain a going concern for at least twelve months from the date of this consolidated and separate financial statements.

Signed on behalf of the Directors by:

.....
Dr. Timothy Farinre
Group Chairman
FRC/2014/COREN/0000007564

.....
Mr Yemi Ogundipe, FCA
Group Managing Director
FRC/2013/ICAN/00000001615

CHAIRMAN'S STATEMENT

Our fellow shareholders, stakeholders, regulatory authorities, ladies and gentlemen. It is my pleasure to welcome you to the 14th Annual General Meeting of our dear company. These are very challenging times, but I am happy to inform you that the Board and management are more than ever before determined to surmount our debt crisis.

World Economic Outlook.

The Russian Ukraine war came full blast in the year under review. The war has led to distortion in the supply chain for food items and mineral resources in that axis. Globally the world also witnessed distortion in the supply chain and increase prices for mineral resources, particularly lithium and other related minerals used for the production for hardware like phones, tablets, computers, automobiles and medical military hardware etc. The indication is that, countries like Nigeria, should promote policies on utilization of our natural resources to ensure that we have value addition to enhance our foreign exchange earning capacity.

Nigeria was also preparing for a major election. The build up to the election had divided the polity across the country. We thank God that the election had resulted in a winner and the country is on the part to rebuilding the economy via the renewed hope programme. As a business we will tap into various initiatives coming from the new government in the interest of our shareholders and stakeholders.

Financial Performance

Largely, the group had not been able to do business because of the exparte order on the mother company by the Bank Of Industry. We were majorly making provision for interest on loans of about =N=1.7B per annum!

Status of Omatek

However, I am happy to inform you, that the over seven (7) years of legal tussle with Bank of Industry has been amicably resolved. The Board, management, audit committee and Estate of the late GMD Mrs. Florence Udebu Seriki FNSE, MFR of blessed memory have taken the painful decision of letting go our iconic leased property at Oregun and majority stock therein as full and final settlement for the debt owed to Bank of Industry. We have also taken similar decision on our property in Abuja to fully settle the debt owed to First Bank Limited.

These are painfully, difficult but necessary decision if the company must MOVE forward. Although the process of handling over of the remaining stock item was not smooth, the Board and management have decided to move forward in the meantime in the interest of all shareholders and stakeholders.

With these settlement, our Board and management can focus on rebuilding the brand, companies and businesses. I must warn that the task ahead is not going to be easy. The Board and management will need to do a lot of work to reposition the brand and company in the MDA and the private sector. We also will need additional capital to reposition the company. We

CHAIRMAN'S STATEMENT

are all aware of the depreciation in the the value of the Naira against major international currencies, of which Omatek is not an exception.. WE WILL BE FOCUSING SERIOUSLY ON NEW OPPORTUNITIES IN THE digital technology space. WE WILL OFFER OPPORTUNITIES TO OUR YOUTHS WILLING TO DEMONSTRATE THEIR SOFTWARE CAPACITIES. We will offer launch pad for startups in the near future.

Fellow shareholders, I assure you that the Board has instituted strict corporate governance in its operations. I appeal to you to support the Board and management in their renewed effort to reposition the company.

Investors

Investors had been apprehensive because of the exparte order on the company, but with the amicable settlement Omatek Ventures Plc is free from all encumbrances, and the management will now be able to discuss freely with willing investors. We welcome enquiries from willing investors in the fintech and solid mineral spaces.

Appreciation

I express our gratitude to our shareholders, stakeholders, influential members of the public in both private and public sectors, traditional rulers, former head of state, members of the Nigerian Computer Society ,Nigeria Shareholders Association and body of Elders that had stood by us in these trying times. WE PROMISE TO DO EVERYTHING POSSIBLE TO RESTORE Omatek to prominence in Nigeria and indeed Africa's ICT space. Godless you all and wish a merry Christmas and happy new year in advance.

Thank you

Dr Timothy Farinre
Group Chairman.

**CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST
DECEMBER, 2022**

The directors submit their report together with the financial statements of Omatek Ventures Plc. for the year ended 31st December, 2022.

1 LEGAL FORM

The Company which commenced operation in Nigeria in 1988, was incorporated as a limited liability Company in Nigeria in 1988. It was converted into a Public Company in 2008 and its name was subsequently amended to reflect its status as a public company. The company's shares are quoted and traded on the Nigerian Stock Exchange.

2 PRINCIPAL ACTIVITIES AND CORPORATE DEVELOPMENT

The Company has interests in subsidiaries and associates involved in manufacturing, distribution, selling and servicing of computer equipment and also provides engineering services.

3 BUSINESS REVIEW AND FUTURE DEVELOPMENT

The Company carried out business activities in accordance with its Memorandum and Articles of Association. A Comprehensive review of the business for the year and the prospects for the ensuing year are contained in the Managing Director's Report.

4 PROPERTY, PLANT & EQUIPMENT

Movement in property, plant & equipment during the year 2022 is shown in note 5 of the Notes to the Financial Statement herein. In the opinion of the directors, the market value of the Company's property plant & equipment is not less than the value shown in the accounts.

5 DIVIDEND

In respect of the current year, the Directors do not recommend any dividend.

6 DIRECTORS

- a) The directors who were in office during the year are listed on page 1.
- b) The re-election of nine Non-Executive Directors is presented to the members for approval.

7 STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors of Omatek Ventures Plc "the company" accept responsibility for the preparation of the financial statements for each financial year, which give a true and fair view of the state of affairs of the Company and of the profit or loss and cash flows for that year. In preparing these financial statements, the directors have selected suitable accounting policies and applied them consistently, made judgments and estimates that are reasonable and prudent and in accordance with International Financial Reporting Standards (IFRSs), Companies and Allied Matters Act 2020, Securities and Exchange Commission Act 2007 as well as Corporate Governance Code of the Securities and Exchange Commission 2011, guidelines and circulars issued by the Nigerian Stock Exchange and other relevant regulators.

The directors accept responsibilities for ensuring that the company keeps proper accounting records that disclose with reasonable accuracy at any time the financial position of the company. The directors are also responsible for safeguarding the assets of the company and taking reasonable steps for the prevention and detection of fraud and other irregularities.

CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER, 2022

In doing so they ensure that:

- Proper accounting records are maintained.
- Internal control procedures are instituted which as far as is reasonably possible, safeguard the assets, prevent and detect fraud and other irregularities.
- Applicable accounting policies and standards are adhered to.
- Suitable accounting policies are adopted and consistently applied.
- The going concern basis is used, unless it is inappropriate to presume that the Company will continue in business; and
- Judgments and estimates made are reasonable and prudent.

9 DIRECTORS' INTERESTS IN SHARES

The interest of the Directors in the issued share capital of the company as recorded in the register of Directors as at 31st December 2022 was as follows:

11 EMPLOYMENT AND EMPLOYEES

a) Employment of physically challenged persons

It is the policy of the Company that there should be no discrimination in considering applications for employment including those from disabled persons. All employees are given equal opportunities for self-development. As at December 31, 2022, however, no disabled person was in the employment of the Company.

b) Health, Safety and Welfare of employees

Health and safety regulations are in force within the Company's premises and employees are aware of the existing regulations. The Company provides subsidy to all levels of employees, transportation, housing, etc.

c) Employee involvement and training

The Company is committed to keeping employees informed as much as possible regarding the Company's performance and progress and seeking their views whenever practicable on matters which particularly affect them as employees

Management, professional and technical expertise are the Company's major assets and investment in their further development continues. Training is carried out at various levels through both in-house and external courses.

12 EVENTS AFTER REPORTING DATE

No material transactions have occurred after the reporting period requiring disclosure in or adjustment to the financial statements for the year ended 31 December, 2022.

13 GOING CONCERN STATUS

The Company incurred a net loss of N1,692m for the year ended 31 December 2022 (2021: net loss of N1,514m). These conditions indicate the existence of material uncertainty which may cast significant doubt on the Company's ability to continue as a going concern.

CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER, 2022

The Management and Board have made adequate plans to reverse the trend by breaking new grounds in products and market development.

The financial statements are prepared on the basis of accounting policies applicable on a going concern basis.

The basis presumes that the Company will be able to penetrate the new markets and sell the new products and that the realization of assets and settlement of liabilities will occur in the ordinary course of business.

14 AUDIT COMMITTEE

Pursuant to Section 404 of the Companies and Allied Matters Act 2020, the company has in place an Audit Committee comprising of three shareholders and three Director's representatives appointed at the last AGM as follows:

- Mr. Basil Ubah (Chairman)
- Mr. Peter Eyanuku
- Chucks Nwosa Osadinizu
- Alhaji Nakande Dasuki
- Temidayo Seriki

15 AUDITORS

The Auditors, Messrs Olukayode Aina & Co. have indicated their willingness to continue in office as auditors in accordance with section 401 (2) of the Companies and Allied Matters Acts 2020. A resolution will be proposed to authorise the directors to fix their remuneration.

16 COMPLIANCE WITH THE CODE OF CORPORATE GOVERNANCE

As a company listed on the Nigerian Stock Exchange, Omatek complies with the provisions of the Code of best practice on Corporate Governance for public quoted companies. In its bid to maintain its strong pioneer status and transparency, the Company has adopted the Corporate Governance Code of the Securities and Exchange Commission and strives to maintain compliance with the rules of the Nigerian Stock Exchange, in addition to the relevant laws and guidelines operating in Nigeria.

BY ORDER OF THE BOARD

Femi David Ikotun Esq.
Ikotun Temowo & Co Company Secretary

Dated this 20th day of February, 2023

REPORT OF THE AUDIT COMMITTEE TO THE MEMBER OF OMATEK VENTURES

In accordance with the provisions of Section 404(3) of the Companies and Allied Matters Act (CAP20) Laws of the Federation of Nigeria 2020, the members of the Statutory Audit Committee of Omatek Ventures Plc hereby report as follows:

We have exercised our statutory functions under Section 404(3) of the Companies and Allied Matters Act (CAP20) Laws of the Federation of Nigeria, 2020 and we acknowledge the cooperation of management and staff in the conduct of their responsibilities.

We confirm that:

The accounting and reporting policies of the company are consistent with legal requirements and ethical practices.

The internal audit programs are extensive and provide a satisfactory evaluation of the efficiency of the internal controls systems.

We have considered the independent auditors' post-audit report in respect of year ended 31 December 2022 and management responses thereon, and are satisfied thereto.

Members of the Audit Committee are:

- | | | |
|---|------------------------|---|
| 1 | Mr Basil Ubah | - Chairman & Shareholders' representative |

**REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF
OMATEK VENTURES PLC**

Our Opinion

We have audited the financial statements of OMATEK VENTURES PLC which comprises statement of financial position as at 31 December 2022, statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended 31 December 2022, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion, the financial statements give a true and fair view of the financial position of Omatek Ventures PLC (“the company”) as at 31 December 2022 and financial performance and cash flows for the year then ended in accordance with International Financial Reporting Standards and the requirements of the Companies and Allied Matters Act CAP C 20, Laws of the Federation of Nigeria 2020 and the Financial Reporting Council of Nigeria Act 2011.

Emphasis of Matter

Without qualifying our opinion, we draw attention to the financial statements which indicates that the Company incurred a net loss of N1,692 million for the year ended 31 December 2022 (2021: net loss of N1,514 million) and interest cover was also negative 0.12 (2021:0.14)

These conditions indicate the existence of material uncertainty which may cast significant doubt on the Company’s ability to continue as a going concern.

What We Have Audited

Omatek Ventures PLC’s financial statements comprise:

- The statements of financial position as at 31st December 2022
- The statements of profit or loss account and statement of comprehensive income for the year then ended.
- The statements of changes in equity for the year ended
- The statement of cash flows for the year then ended and
- The notes to the financial statements, which include a summary of significant accounting policies.

Basis for Opinion

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants’ Code of Ethics for Professional Accountants. We have fulfilled our other ethical responsibilities in accordance with the IESBA Code.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated and separate financial statements of the current period.

These matters were addressed in the context of our audit of the consolidated and separate financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matter Going Concern

We focused on this area due to the death of the founding Group Managing Director and the subsequent attempt by Bank of Industry to place the company under receivership. The matter has remained unresolved in the last three years.

This matter is considered a key audit matter in the context of our audit of the financial statements as a whole.

How our audit addressed the key audit matter

- We assessed the plans by management to resolve the issues with Bank of Industry.
- We reviewed the new business plan drawn up by the current management, by way of bringing on board venture capital investors for reasonableness and viability.
- We assessed the readiness of the directors and management to continue to support the company.

Olukayode Aina & Co.

Other Information

The directors are responsible for the other information.

The other information include Corporate governance report, Internal control and risk management systems in relation to the financial reporting, Statement of directors' responsibilities, Report of the audit committee, Regulatory requirements under IFRS regime, Operational risk management, Value added statements, Five year financial summary, and Share Capitalisation history which we obtained prior to the date of this auditor's report, and the Chairman's statement, Corporate information, Products and services and Corporate directory which are expected to be made available to us after that date.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the directors and those charged with governance for the financial statements

The directors are responsible for the preparation of the financial statements that give a true and fair view in accordance with International Financial Reporting Standards and the requirements of the Companies and Allied Matters Act, the Financial Reporting Council of Nigeria Act and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so. Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

Identified and assessed the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtained audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtained an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.

Olukayode Aina & Co. Chartered Accountants

HEAD OFFICE:
Dainak Court
Plot 5, Olusola Harris Way,
Lekki Scheme II, Lagos.

0802 306 1414
0805 581 2928

oaaco@hotmail.com
info@oaaco.org
www.oaaco.org

Evaluated the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

Concluded on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluated the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Obtained sufficient appropriate audit evidence regarding the financial information of the entity or business activities within the Company to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the Company audit. We remain solely responsible for our audit opinion.

We communicated with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identified during our audit.

We also provided those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determined those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

The Companies and Allied Matters Act requires in carrying out our audit, we consider and report to you on the following matters. We confirm that:

- i. We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
- ii. The company has kept proper books of accounting records so far as appears from our examination of those books.
- iii. The Company's statement of financial position and statement of comprehensive income are in agreement with the books.

THE NOTES FORM AN INTEGRAL PART OF THESE FINANCIAL STATEMENTS

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER, 2022

- 1 REPORTING ENTITY**
- (A) **LEGAL FORM** Omatek Ventures Plc is a public limited liability company incorporated in Nigeria under the Companies and Allied Matters Act of 2020.
- (B) **MAIN ACTIVITIES** Omatek is a holding company which holds shares in the manufacturing, distribution and sales and service of various types of computers and home entertainment products
- (C) **REGISTERED ADDRESS** The registered address is Plot 11, Kudirat Abiola Way, Oregun, Ikeja, Lagos, Nigeria.
- 2 STATEMENT OF COMPLIANCE WITH INTERNATIONAL FINANCIAL REPORTING STANDARDS** The consolidated financial statements have been prepared in accordance with International Financial Reporting Standards (IFRSs).
The financial statements were authorised for issue by the Board of Directors on 20th February 2023.
- 3 BASIS OF PREPARATION**
- (A) **BASIS OF MEASUREMENT** The financial statements have been prepared on the historical cost basis and all applicable standards issued by the Financial Reporting Council of Nigeria
- (B) **FUNCTIONAL AND PRESENTATION CURRENCY** These financial statements are presented in Nigerian Naira, which is the Company's functional currency.

All financial information presented in naira has been rounded to nearest million.
- (C) **USE OF ESTIMATES AND JUDGEMENT** The preparation of the financial statements in conformity with IFRS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and into any future periods affected.
- (D) **ADOPTION OF NEW AND REVISED STANDARDS**
- i **IFRS 15 Revenue from Contracts with Customers-effective on or after 1 January 2018** IFRS 15 establishes a comprehensive framework for determining whether, how much and when revenue is recognised. It replaces existing revenue recognition guidance, including IAS 18 Revenue, IAS 11 Construction Contracts and IFRIC 13 Customer Loyalty Programme. The Company uses the impact assessment report to disclose the impact of IFRS 15, on the company.
- ii **IFRS 9 Financial Instrument-effective on or after 1 January 2018** The Company has initially applied IFRS 9 from 1 January 2018. A number of other new standards are also effective from 1 January 2018, but they do not have a material effect on the Company's financial statements.
The effect of initially applying this standard is mainly attributed to an increase in impairment losses recognised on financial assets.
IFRS 9 sets out requirements for recognising and measuring financial assets, financial liabilities and some contracts to buy or sell non-financial items. This standard replaces IAS 39 Financial Instruments: Recognition and Measurement.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER, 2022

- IFRS 9 contains three principal classification categories for financial assets: measured at amortised cost, FVOCI and FVTPL.
- a CLASSIFICATION AND MEASUREMENT OF FINANCIAL ASSETS AND FINANCIAL LIABILITIES**
- The classification of financial assets under IFRS 9 is generally based on the business model in which a financial asset is managed and its contractual cash flow characteristics. IFRS 9 eliminates the previous IAS 39 categories of held to maturity, loans and receivables and available for sale. Under IFRS 9, derivatives embedded in contracts where the host is a financial asset in the scope of the standard are never separated. Instead, the hybrid financial instrument as a whole is assessed for classification. IFRS 9 largely retains the existing requirements in IAS 39 for the classification and measurement of financial liabilities. The adoption of IFRS 9 has not had a significant effect on the Company's accounting policies related to financial liabilities and derivative financial instruments.
- b IMPAIRMENT OF FINANCIAL ASSETS**
- IFRS 9 replaces the 'incurred loss' model in IAS 39 with an 'expected credit loss' (ECL) model. The new impairment model applies to financial assets measured at amortised cost, contract assets and debt investments at FVOCI, but not to investments in equity instruments. Under IFRS 9, credit losses are recognised earlier than under IAS 39.
- 4 SIGNIFICANT ACCOUNTING POLICIES**
- (A) FOREIGN CURRENCY**
- The accounting policies set out below have been applied consistently to all periods presented in the financial statements, unless otherwise indicated.
- Transactions in foreign currencies are translated to the respective functional currencies of Group entities at exchange rates at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies at the reporting date are retranslated to the functional currency at the exchange rate at that date. The foreign currency gain or loss on monetary items is the difference between amortised cost in the functional currency at the beginning of the period, adjusted for effective interest and payments during the period, and the amortised cost in foreign currency translated at the exchange rate at the end of the reporting period. Non-monetary assets and liabilities denominated in foreign currencies that are measured at fair value are retranslated to the functional currency at the exchange rate at the date that the fair value was determined. Foreign currency differences arising on retranslation are recognised in profit or loss, except for differences arising on the retranslation of available for-sale equity instruments, a financial liability designated as a hedge of the net investment in a foreign operation or qualifying cash flow hedges, which are recognised in other comprehensive income. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction.
- 5 BASIS OF CONSOLIDATION**
- Subsidiaries are entities controlled by the Group. Control exists when the Group has the power to govern the financial and operating policies of an entity so as to obtain benefits from its activities. The financial statements of subsidiaries are included in the consolidated financial statements from the date that control commences until the date that control ceases.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER, 2022

- The consolidated financial statements combine the financial statements of Omatek Ventures Plc, Omatek Ventures Distribution Limited, Omatek Engineering Services Limited and Omatek Computers Limited.
- 6 SIGNIFICANT ACCOUNTING POLICIES**
- (A) FOREIGN CURRENCY**
- The accounting policies set out below have been applied consistently to all periods presented in these consolidated financial statements.
- Transactions in foreign currencies are translated to the respective functional currencies of Group entities at exchange rates at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies at the reporting date are retranslated to the functional currency at the exchange rate at the reporting date.
- The foreign currency gain or loss on monetary items is the difference between amortised cost in the functional currency at the beginning of the period, adjusted for effective interest and payments during the period, and the amortised cost in foreign currency translated at the exchange rate at the end of the reporting period.
- Non-monetary assets and liabilities denominated in foreign currencies that are measured at fair value are retranslated to the functional currency at the exchange rate at the date that the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction.
- (B) PROPERTY, PLANT & EQUIPMENT**
- (i) RECOGNITION AND MEASUREMENT**
- Items of property, plant and equipment are measured at cost/revalued amounts less accumulated depreciation and accumulated impairment losses.
- The building at Plot 11 Kudirat Abiola Way was valued on 2nd January 2011 as part of the IFRS Implementation Project by Adeniji Adele & Associates - Consulting Estate Surveyors & Valuers.
- Cost includes expenditure that is directly attributable to the acquisition of the asset.
- (ii) DEPRECIATION**
- Depreciation is calculated over the depreciable amount, which is the cost of an asset, or other amount substituted for cost, less its residual value.
- Depreciation is recognised in profit or loss on a straight-line basis over the estimated useful lives of each part of an item of property, plant and equipment, since this most closely reflects the expected pattern of consumption of the future economic benefits embodied in the asset. Land is not depreciated.
- The estimated useful lives for the current and comparative periods are as follows:
- | | |
|--------------------------------|----------|
| Leasehold Building | 50 Years |
| Motor Vehicles | 5 Years |
| Furniture, Fixtures & Fittings | 10 Years |
| Office Equipment | 10 Years |
| Plant & Machinery | 5 Years |
| Computer Equipment | 5 Years |
- Depreciation methods, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.
- (C) INVENTORIES**
- Inventories are measured at the lower of cost and net realisable value. The cost of inventories is based on the first-in first-out principle, and includes expenditure incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their existing location and

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER, 2022

In the case of manufactured inventories and work in progress, cost includes an appropriate share of production overheads based on normal operating capacity. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

(D) IMPAIRMENT

**(i) FINANCIAL ASSETS
(INCLUDING
RECEIVABLES)**

A financial asset not carried at fair value through profit or loss is assessed at each reporting date to determine whether there is objective evidence that it is impaired.

A financial asset is impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset, and that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably.

Objective evidence that financial assets are impaired can include default or delinquency by a debtor, restructuring of an amount due to the Company on terms that the Company would not consider otherwise and/or indications that a debtor or issuer will enter bankruptcy.

The Company considers evidence of impairment for receivables at both a specific asset and collective level. All individually significant receivables are assessed for specific impairment.

All individually significant receivables found not to be specifically impaired are then collectively assessed for any impairment that has been incurred but not yet identified. Receivables that are not individually significant are collectively assessed for impairment by grouping together receivables with similar risk characteristics.

In assessing collective impairment the Company uses historical trends of the probability of default, timing of recoveries and the amount of loss incurred, adjusted for management's judgement as to whether current economic and credit conditions are such that the actual losses are likely to be greater or less than suggested by historical trends.

An impairment loss in respect of a financial asset measured at amortised cost is calculated as the difference between its carrying amount and the present value of the estimated future cash flows discounted at the asset's original effective interest rate.

Losses are recognised in profit or loss and reflected in an allowance account against receivables. Interest on the impaired asset continues to be recognised through the unwinding of the discount. When a subsequent event causes the amount of impairment loss to decrease, the decrease in impairment loss is reversed through profit or loss.

(ii) NON FINANCIAL ASSETS

The carrying amounts of the Company's non-financial assets, other than biological assets, investment property, inventories and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For goodwill, and intangible assets that have indefinite useful lives or that are not yet available for use, the recoverable amount is estimated each year at the same time.

The recoverable amount of an asset or cash-generating unit is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER, 2022

For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the “cash-generating unit, or CGU”).

For the purposes of goodwill impairment testing, goodwill acquired in a business combination is allocated to the group of CGUs that is expected to benefit from the synergies of the combination. This allocation is subject to an operating segment ceiling test and reflects the lowest level at which that goodwill is monitored for internal reporting purposes.

The Company’s corporate assets do not generate separate cash inflows. If there is an indication that a corporate asset may be impaired, then the recoverable amount is determined for the CGU to which the corporate asset belongs.

An impairment loss is recognised if the carrying amount of an asset or its CGU exceeds its estimated recoverable amount. Impairment losses are recognised in profit or loss. Impairment losses recognised in respect of CGUs are allocated first to reduce the carrying amount of any goodwill allocated to the units, and then to reduce the carrying amounts of the other assets in the unit (group of units) on a pro rata basis.

An impairment loss in respect of goodwill is not reversed. In respect of other assets, impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount.

An impairment loss is reversed only to the extent that the asset’s carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

(E) EMPLOYEE BENEFITS

(i) DEFINED CONTRIBUTION PLANS

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts.

For defined contribution plans, the Company pays contributions to publicly or privately administered pension fund administrators (PFA) on a mandatory, contractual or voluntary basis. The Company has no further payment obligations once the contributions have been paid.

The contributions are recognised as employee benefit expense in comprehensive income statement when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

(ii) TERMINATION BENEFITS

Termination benefits are recognised as an expense when the Group is demonstrably committed, without realistic possibility of withdrawal, to a formal detailed plan to terminate employment before the normal retirement date.

Termination benefits for voluntary redundancies are recognised if the Group has made an offer encouraging voluntary redundancy, it is probable that the offer will be accepted, and the number of acceptances can be estimated reliably. If benefits are payable more than 12 months after the reporting date, then they are discounted to their present value.

(F) REVENUES

(i) GOODS SOLD

Revenue from the sale of goods in the course of ordinary activities is measured at the fair value of the consideration received or receivable, net of returns, trade discounts and volume rebates. Revenue is recognised when persuasive evidence

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER, 2022

exists, usually in the form of an executed sales agreement, that the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, there is no continuing management involvement with the goods, and the amount of revenue can be measured reliably.

If it is probable that discounts will be granted and the amount can be measured reliably, then the discount is recognised as a reduction of revenue as the sales are recognised.

(ii) RENTAL INCOME

Rental income from property is recognised in profit or loss on a straight-line basis over the term of the lease. Lease incentives granted are recognised as an integral part of the total rental income, over the term of the lease. Rental income from subleased property is recognised as other income.

(G) INCOME TAX

Income tax expense comprises current and deferred tax. Current tax and deferred tax are items recognised directly in equity or in other comprehensive income. Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous years.

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax is not recognised for the following temporary differences: the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss, and differences relating to investments in subsidiaries and jointly controlled entities to the extent that it is probable that they will not reverse in the foreseeable future. In addition, deferred tax is not recognised for taxable temporary differences arising on the initial recognition of goodwill.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date.

A deferred tax asset is recognised for unused tax losses, tax credits and deductible temporary differences, to the extent that it is probable that future taxable profits will be available against which they can be utilised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

(H) SEGMENT REPORTING

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Group's other components.

All operating segments' operating results are reviewed regularly by the Group's CEO to make decisions about resources to be allocated to the segment and assess its performance, and for which discrete financial information is available.

Segment results that are reported to the CEO include items directly attributable to a segment as well as those that can be allocated on a reasonable basis. Unallocated items comprise mainly corporate assets (primarily the Company's headquarters), head office expenses, and income tax assets and liabilities.

Segment capital expenditure is the total cost incurred during the period to acquire property, plant and equipment, and intangible assets other than goodwill.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER, 2022

7 FINANCIAL RISK

(A) OVERVIEW

The Company has exposure to the following risks from its use of financial instruments:

Credit Risk

Liquidity Risk

Market Risk

Operational Risk

This note presents information about the Company's exposure to each of the above risks, the Company's objectives, policies and processes for measuring and managing risk, and the Company's management of capital.

Further quantitative disclosures are included throughout these financial statements

(B) RISK MANAGEMENT FRAMEWORK

The Board of Directors has overall responsibility for the establishment and oversight of the company's risk management framework.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Company, through its training and management standards and procedures, aims to develop a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Group Audit Committee oversees how management monitors compliance with the Group's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Group.

The Group Audit Committee is assisted in its oversight role by Internal Audit. Internal Audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the Audit Committee.

(C) CREDIT RISK

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers.

(i) TRADE & OTHER RECEIVABLES

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer.

(D) LIQUIDITY RISK

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset.

The Group's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

(E) OPERATIONAL RISK

Operational risk is the risk of direct or indirect loss arising from a wide variety of causes associated with the Group's processes, personnel, technology and infrastructure, and from external factors other than credit, market and liquidity risks such as those arising from legal and regulatory requirements and generally accepted standards of corporate behaviour. Operational risks arise from all of the Group's operations.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER, 2022

The Group's objective is to manage operational risk so as to balance the avoidance of financial losses and damage to the Group's reputation with overall cost effectiveness and to avoid control procedures that restrict initiative and creativity.

The primary responsibility for the development and implementation of controls to address operational risk is assigned to senior management within each business unit. This responsibility is supported by the development of overall Company standards for the management of operational risk.

Compliance with Group standards is supported by a programme of periodic reviews undertaken by Internal Audit. The results of Internal Audit reviews are discussed with the management of the business unit to which they relate, with summaries submitted to the Audit Committee and senior management of the Group.

(F) MARKET RISK

Market risk is the risk that changes in market prices, such as foreign exchange rates and interest rates will affect the Group's income. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

8 OPERATING SEGMENTS

The Group has three reportable segments, as described below, which are the Group's strategic business units.

The strategic business units undertake different sectors of Group's activities and are managed separately based on the Group's management and internal reporting structure.

For each of the strategic business units, the Executive Management Committee reviews internal management reports on at least a quarterly basis.

OMATEK COMPUTERS LIMITED

The principal activities of the company are the assembling, and manufacturing of various types of computers and home entertainment products, UPS, inverters and solar systems

OMATEK VENTURES DISTRIBUTION LIMITED

Omatek Ventures Distribution Limited is a computer company which was formed to take over the distribution and sales of all products of the Omatek Group which include various types of computers and home entertainment products, UPS, inverters and solar systems

OMATEK ENGINEERING SERVICES LIMITED

Omatek Engineering Services Limited is a computer company which was formed to take over the servicing of all products of the Omatek Group which include various types of computers and home entertainment products, UPS, inverters and solar systems. It also markets and distributes solar systems.

27 GOING CONCERN

The Company incurred a net loss of N1,692m for the year ended 31 December 2022 (2021: net loss of N1,514m). These conditions indicate the existence of material uncertainty which may cast significant doubt on the Company's ability to continue as a going concern.

The Management and Board have made adequate plans to reverse the trend by breaking new grounds in products and market development.

The financial statements are prepared on the basis of accounting policies applicable to a going concern. The basis presumes that the Group will be able to penetrate the new markets and sell the new products and that the realization of assets and settlement of liabilities will occur in the ordinary course of business.
